ELEMENTARY ART FOR 30 MATERIALS LIST

Art education supports skills and concepts vital to elementary students' development. It encourages self-awareness and self-expression, provides the freedom to experiment without fear of failure, and cultivates critical thinking skills. School Specialty offers art lesson plans and products for groups of up to 30 students from top national brands, plus the respected Sax brand available only through us. Explore these pages for a sampling. Discover even more at Select.SchoolSpecialty.com, and ask your School Specialty representative how our expertise can help you support your students' efforts.
