

Wireless Megaphone

Model PA219

Versatility is sometimes critical when leading tour groups, directing activities on an athletic field, or in emergency response situations. Our PA219 delivers a wireless mic (with a wired mic input), an input to connect a smartphone, an SD card, and a USB port.

With a 750' range, the PA219 broadcasts music or messages so the entire crowd can hear critical information.

1. Rugged ABS plastic exterior with comfy handle
2. Digital read out
3. SD card slot and USB port
4. Wireless microphone with 30' transmission range
5. MP3 controls
6. Volume controls
7. Beefy 5" speaker for projection
