Laminate Top  
with T-Mold  
Edge and  
Chrome Frame

A one-and-done classroom seating and workspace solution, the Classroom Select® Contemporary Combination Desk is perfectly proportioned for ergonomic comfort and learning ease in today's contemporary Grade 5 and older classrooms. Easy to clean and easy to carry or reposition into rows or collaborative work areas with an integrated handle at the upper back, the attached chair is made of one-piece injection-molded polypropylene shell and features a flexing back, lumbar support, and a waterfall seat edge to keep the body properly aligned and comfortable for short or long durations of sitting alike. The desktop comes in assorted material and color options, and the entire unit is held up by durable tubular steel frame legs that hold up to year after year of daily class use.

Visit [ClassroomSelect.com](https://ClassroomSelect.com) for complete warranty details.

## FEATURES

- Ergonomically designed, one-piece, injection-molded, polypropylene shell with even color and subtle texture
- Shell and tubular steel frame are ergonomically designed to offer upper back and lumbar support
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Waterfall seat edge reduces pressure points and promotes better circulation to enhance ergonomic comfort
- Convenient integral handle in the upper back for easy carrying
- Optional field installed wire book basket is available
- Choose 5 LockEdge® colors, which offer fun and function with durable easy to clean edges
- 5 T-Mold colors to choose from
- 18"A+ style offers a wider, more accommodating seat size
- Easy to clean with soap, water, and an optional diluted bleach solution
- Ships assembled

## SPECIFICATIONS

### CONSTRUCTION

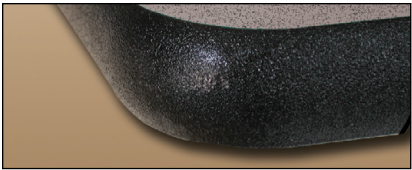

- One-piece, injection-molded, polypropylene shell with even color and subtle texture
- Shell is made of long lasting, durable polypropylene
- Self-supporting frame with 1 1/8", 16-gauge tubular steel legs, work surface support and connecting tube between the legs
- Seat supports are die-pressed, 14-gauge steel and die-punched to conceal seat rivets
- Available in nickel-plated chrome or black powdercoat finishes
- Desktops are available in 18" x 24" and 20" x 26" sizes with three surface options
  - o Laminate top features 5/8" thick MDF core with high pressure laminate surface and phenolic backer sheet to minimize warping.
    - o Edges are sealed with polyurethane painted edge, in Titanium or Beige, and include a 1/2" eased edge on the student side for added comfort and style or five, vinyl, T-mold colors
  - o Laminate top is also available with polyurethane LockEdge® that offers easier cleaning and added durability
  - o Hard plastic top is formed from 5/8" thick high-impact solid plastic that has been molded into a homogeneous unit by heat and pressure
