CARE INSTRUCTIONS

- Use glass cleaner to remove any adhesive residue left on the board surface if labels are removed
- Do not allow dry erase marker ink to remain on the board for several days without erasing
- Clean your dry erase board weekly to prevent marker color build up. Use household glass cleaner with a clean, soft cloth to keep your board surface looking new
- Use a dry erase marker to color over areas that are hard to clean. Then erase. The solvent in the ink will frequently clean the soiled area
- Alternative dry erase board cleaners:
 - o Soap and water
 - o Rubbing alcohol
 - o Multi-surface cleaners
 - o Ceramic stove top cleaners
 - o Non-abrasive household cleaners
