

Classroom Select® WaveRok™ Board

Introducing the Classroom Select® WaveRok™! This innovative balance board is a perfect solution for students and teachers alike, allowing a gentle side-to-side rocking motion that encourages both physical and emotional well-being and improves focus.

FEATURES

- Bottom is designed to provide a safe and stable side-to-side rocking motion to encourage emotional well-being and help improve student focus
- Top foam consists of textured anti-fatigue materials that allows for extended use without discomfort or fatigue
- Features two easy to access handles for transporting the board
- Easy to clean with soap, water, and an optional diluted bleach solution
- Available in 5 vibrant colors
- Ships fully assembled

SPECIFICATIONS

CONSTRUCTION

- Top layer is made of a Polyurethane foam that has anti-fatigue capabilities
- Middle layer is constructed of strong and durable ABS plastic to accommodate any user from K-12
- Bottom layer has a highly durable over-molded rubber to help protect the floor
- Board has a max tilting angle of 12.2° which provides a safe and stable rocking motion
