

MODEL 2800-YL | LISTENING FIRST™ STEREO HEADPHONE

Item Number 2103822

INTRODUCTION

The Listening First™ Stereo Headphone offers clear audio that is critical for beginning students in phonetic awareness, comprehension and fluency in vocabulary. This headphone has over-ear, noise-reducing earcups that filter out external distractions, allowing student to focus on the task at hand. Lightweight and made of durable ABS plastic, perfect for high usage.

FEATURES

1. Fully adjustable and extremely flexible headband, designed for young students
2. Replaceable, foam-filled, leatherette ear cushions
3. Slotted baffles prevent speaker access, reducing accidental damage
4. Over-ear, noise-reducing earcups
5. Reinforced, permanently attached cord
6. 6' CaliTuff® cord
7. 3.5mm, right angle, stereo plug

WARRANTY

Califone's 3 year warranty covers school use.

INCLUDES CALITUFF® CORD

Highly durable CaliTuff® Cord is made of braided, PVC-jacketed material that resists chewing and cutting. The CaliTuff® design includes a reinforced earcup entry point that resists stress separation and a tethered hook and loop strap that provides cable management for easy storage.
