

MODEL AX-12 | DESKTOP COMPUTER MICROPHONE

Item Number 1543890

INTRODUCTION

Adding a microphone to any computer workstation enables students to work more efficiently performing keyboard and mouse operations during voice recognition programs, recording audio files or interacting with testing and lesson software.

Simple 3-step assembly. Click mic stand into base, insert mic into stand and plug cord into audio device.

FEATURES

1. High-sensitivity mic ideal for language training and student testing
2. Lengthy 7' cord with 3.5mm connector will reach the back of most computers
3. Stable base assures mic won't tip over
4. Adjustable 10-1/2" boom moves up and down with ease

WARRANTY

Califone's 90 day warranty covers school use.
