

MODEL E2 | E-SERIES EARBUDS IPAD® COMPATIBLE EAR BUD

Item Number 1543908

INTRODUCTION

With an increasing amount of language learning being done online and with mobile devices, the importance of an audio component continues to grow. Both PARCC and Smarter Balanced also integrate the use of audio for testing purposes. Growing to text-to-speech functions also underscore this trend. This lightweight stereo Ear Bud headphone delivers full-bodied sound.

FEATURES

1. ABS plastic resists shattering for safety
2. Noise-reducing ear covers help decrease external ambient sounds to help keep students more on task
3. Inline volume control
4. Tangle-proof 3.9' straight cord with 3.5mm plug ideal for use with tablets and smartphones
5. Replaceable ear covers

WARRANTY

Califone's 90 day warranty covers school use.
