

MODEL HS40 | HEARING SAFE™ HEARING PROTECTOR

Control No. 1301880

INTRODUCTION

This dielectric (non-conducting) hearing protector blocks out potentially damaging external noises by completely covering the outer ear. Designed for younger students who need quiet due to noise sensitivity or for focused activities.

FEATURES

1. Rugged polypropylene headstrap
2. Easy-to-clean, ABS plastic earcups hold up to continued usage
3. Adjustable headband fits most students
4. Over-ear cup is designed to completely cover ears
5. Ear opening is 1.4"x 2.5" with a depth of 0.6"
6. Bright red safety color
7. Meets EN352.1 and ANSI S3.19

WARRANTY

Califone's 1 year warranty covers school use.
