

Classroom Select® Contemporary Early Childhood Four Leg Chair

Chrome Frame

Black Frame

Matching Frame

Shaped for posture enhancement and ease, this school chair puts ergonomics at the forefront (and back) with thoughtfully-designed contoured ribs at the backrest for lumbar support, plus side-to-side and headrest/upper back flexibility that adjusts to a variety of body profiles and allows the sitter to shift, stretch, lean, and everything in between throughout the school day. Combine that with an indestructible (yet soft) injection-molded polypropylene shell and a waterfall seat to keep legs circulated, and this chair is positioned to keep every young learner from early childhood to Grade 5 comfortable.

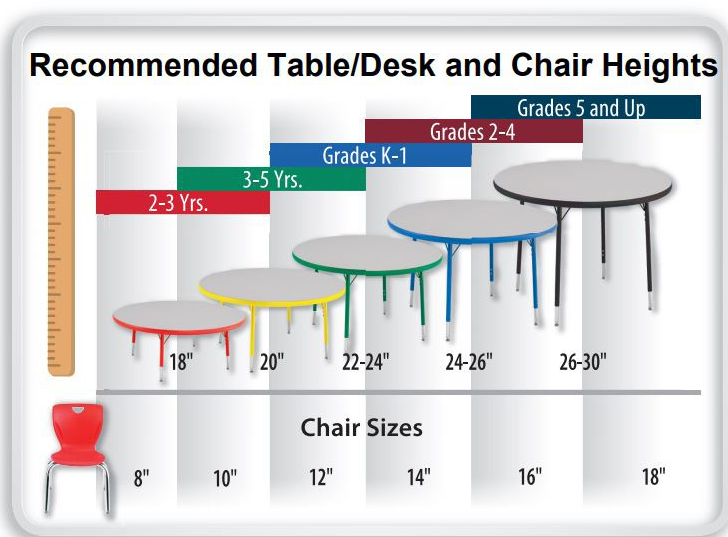

FEATURES

- Ergonomically designed, one-piece, injection-molded, polypropylene shell with even color and subtle texture
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Convenient integral handle in the upper back for easy carrying
- Provides side-to-side flexibility to adjust to a variety of body profiles
- Unique molded indentations on both sides of the chair back preventing shifting or leaning when stacked
- Easy to clean with soap, water, and an optional diluted bleach solution
- Ships assembled

SPECIFICATIONS

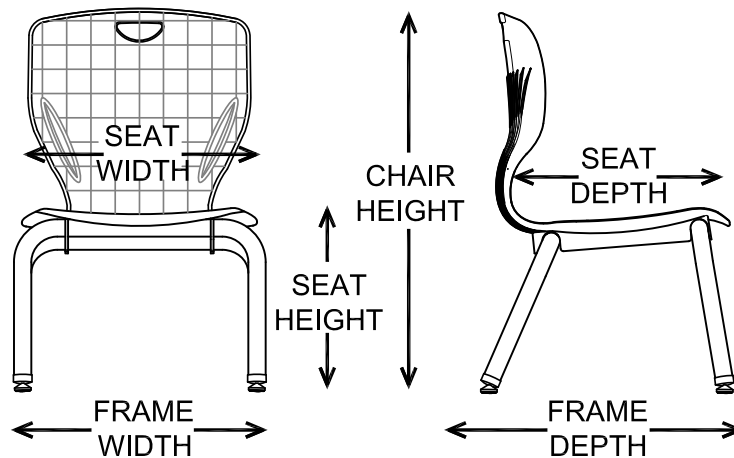

CONSTRUCTION

- Chair frames are constructed from 1 1/8", 18-gauge tubular steel
- Frame finishes available in nickel-plated chrome, black powdercoat black or matching color powdercoat
- Choose from nylon, steel, felt, rubber or matching colored ball glides
