

Classroom Select® Contemporary Pneumatic Lift Stool with Adjustable Foot Ring

Pneumatic Lift Stool with
Adjustable Foot Ring

Back of Contemporary Chair

From the contoured A to extra-wide A+ size polypropylene seat with a waterfall edge, down to the movable foot ring and swiveling 5-star base set on casters, this ergonomic chair goes to great (adjustable) heights to offer ease and mobility in your flexible classroom. The pneumatic seat can be raised or lowered between 24 and 34 inches to suit any user's personal leg space or seating position, while the armless design provides plenty of room to stretch and move the elbows and hips. Great for Grade 5 students to adults, this mobile chair can be used with a higher desk or lab table for posture support that is surprisingly comfortable (and always adjustable).
