## SPECIFICATIONS

### CONSTRUCTION

- ¾" particle board with thermal fused laminate construction
- Dowel pin construction
- Reinforced steel channel on underside of unit to support rigidity and smooth rolling casters
- High impact 3mm edge protecting edge banding
- To clean Expanse Series™ products use damp cloth and mild soap. Tougher stains such as paints and markers can be removed using a mild household cleanser and soft bristled brush. To disinfect a solution of 10% bleach and 90% water can be used routinely to disinfect laminate surfaces. Do not leave bleach solution on the surfaces for more than 20 minutes as it may damage the surfaces.
