Pneumatic Lift Chair

Back of NeoClass®

Give students a lift and all-day lumbar support with the height-adjustable Classroom Select® NeoClass® Pneumatic Lift Chair. The polypropylene shell features a deep curve where the sitter's small of the back rests to help maintain proper non-slouching posture, two top/bottom shell cutouts that boost airflow and make moving this chair a breeze, and a simple gas-lift handle at the side to adjust the chair lower or higher, accommodating every student through any activity. With 22 eye-catching color options, this chair is an attractive and ergonomic addition to the modern-day Grade K to 12 classroom.

## FEATURES

- Ergonomics meets versatility with the sleek, injection-molded, polypropylene shell
- The contoured shell provides extra lumbar support, while the smooth back design offers easier maintenance
- A waterfall seat edge reduces pressure points and promotes better circulation to enhance ergonomic comfort
