

Classroom Select® NeoClass® Swivel Stool

NeoClass® Swivel Stool

Back of NeoClass®

Combining high-back support with a 360-degree swivel seat, the Classroom Select® NeoClass® Swivel Stool masters the art of ergonomics by allowing students—or teachers—to comfortably sit and move at the same time. Especially beneficial for active classrooms, this easy-clean chair gives Grade 5 and older learners the freedom to spin front, back, or side to side to access nearby materials, without ever having to shift positions or get out of their seat. Two shell cutouts add to the ease by offering cooling airflow when seated and a convenient hand grip when moving and rearranging this stool for the next activity or group project.

FEATURES

- Ergonomics meets versatility with the sleek, injection-molded, polypropylene shell
- The contoured shell provides extra lumbar support, while the smooth back design offers easier maintenance
- A waterfall seat edge reduces pressure points and promotes better circulation to enhance ergonomic comfort
- Two handle openings on the top and bottom of the shell boost airflow and enhance portability
- Choose from 2 shell sizes - A and A+. Extra-large A+ shell provides a wider more accommodating seat size
- Stool Swivels 360°
- Choose from an array of 22 vibrant colors for overall room color coordination
- Includes standard nylon glides used for tile and carpeted surfaces
- Easy to clean with soap, water, and an optional diluted bleach solution

SPECIFICATIONS

CONSTRUCTION

- Adjustable legs from 23½" to 32½" in 1" increments with a Phillips locking adjustment bolt
- Footrest is welded to frame and is formed from ¾", 18-gauge steel tubing
- Internal gripping swivel nylon glides have a raised radius inner dome to ensure alignment
- Glides have no cuff or collar to eliminate dirt build up
- Shell is made of long lasting, durable polypropylene
