

Classroom Select® Royal Seating® Prima Stack Chairs

Stackable up to
12 High without
leaning

Available in
4 Prima Colors

Bright, light, and sturdy for ages 3 to 7, these colorful and conveniently stackable chairs are loved by early learners and educators alike. Weighing only 3 pounds (but able to hold up to 200), this one-piece injection-molded plastic chair is easy to move around for group tables to circle time games, and nests up to a dozen chairs high for compact storage once activities are done. Built with 4 legs and a durable permanently heat-welded frame, this chair is a rigor-approved favorite for the classroom, childcare center, library, recreation center, or right at home.
