

Maximum airflow. Maximum protection.

Gyms. Libraries. Auditoriums.
Cafeterias. Sanitize even large
spaces with the TRIO Pro™
HEPA, PRO-Cell™ & UV-C
Portable Air Purifier. It cleans
the air every hour in a room
as big as 4,949 square feet.

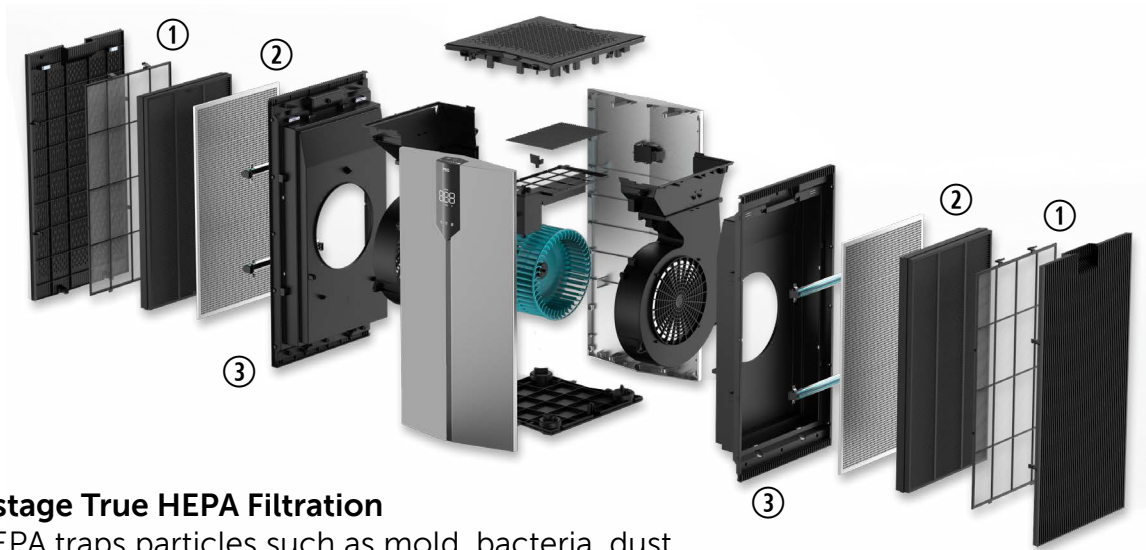

Three state-of-the-art
technologies intercept airborne
microorganisms and viruses with
quiet efficiency, so learning can
proceed without interruption.

TRIO Pro™
Portable Air Purifier
Item #[2087649](#)

Clear the air with 3-stage protection.

- ① **Multi-stage True HEPA Filtration**
H13 HEPA traps particles such as mold, bacteria, dust, dander, pollen, and viruses as small as 0.3 micron
- ② **Patented PRO-Cell™ Technology**
dramatically reduces toxic Volatile Organic Compounds (VOCs) and odors
- ③ **Ultraviolet-C (UV-C) Germicidal Purification**
reduces bacteria, viruses, mold, and fungi

TRIO Pro™ HEPA, PRO-Cell™ & UV-C Portable Air Purifier

- Dimensions: 30" x 15" x 19"
- Weight: 43.6 lbs.
- 1 amp rating
- Quietness: 58 dBA
- Airflow: 659 cubic feet per minute (CFM)
- Clean Air Delivery Rate: 589 CFM
- Room Size covered at 3 air changes per hour: 41' x 40' (1,648 sq. ft.)
- Room Size covered at 5 air changes per hour: 30' x 32.9' (988 sq. ft.)
- $\mu\text{W}/\text{cm}^2$ @ Surface: 8,850
- Replacement filtration parts available

Product availability and shipping times vary. Not intended for high-risk exposure settings. Does not prevent COVID-19.
