

# Simply Limbo Set

## Assembly Instructions

1. Easy to assemble and disassemble- no tools required.
2. Connect the yellow bar with the black connector piece as shown in Photo A below.
3. Fill the bases with water or sand, if desired, for anchoring uprights.
4. Insert the uprights into the openings at the base as shown in Photo B below.
5. Place the yellow limbo bar on red hooks at desired height.
