

Classroom Select® Construct-IT™ Makerspace Project Centers

Butcher Block Top with Shelf

Laminate T-Mold with Shelf

Markerboard Top with No Shelf

Laminate LockEdge with Shelf

The perfect companion to the Geode Series™ Storage cabinets, the Construct-IT™ is built like a rock. The frame and side panels are built of a strong and durable steel for those heavy-duty projects. Get creative and coordinate classrooms with the colored side panels, available in the same 11 vibrant colors as Geode Series™ Storage units.

FEATURES

- Durable steel frame and side panels available in 11 color options
- Construct-IT™ 14-gauge steel frames are uniquely engineered for height adjustability from 29"-40" in 1" increments
- Peg board perforation featured on side panels for increased storage potential
- Durable steel shelving units are available separately, for added storage space
- Steel shelves are finished with a textured powdercoat to withstand any project environment
- Tabletops offered in a variety of sizes for all educational needs
- Choose from our exciting assortment of Laminate colors including markerboard, woodgrains, patterns, and solid colors, as well as a butcher block top
- Laminate table tops available in 5 LockEdge® colors, which offer fun and function with durable easy to clean edges
- Project centers are constructed with a 14-gauge steel stretcher bar to ensure strength and stability
- Side panels feature a 2.5" hole for cable management of power accessories
- Durable 18-gauge steel side peg panels come with 12 S-hooks for increased storage
- Easy to clean laminate tops with soap, water, and an optional diluted bleach solution
- Choose from an array of 23 vibrant T-Mold edge colors for overall room color coordination

SPECIFICATIONS

CONSTRUCTION

- Frame is made of strong 14-gauge steel
- Tabletops are reinforced to the frame with durable corner braces, to ensure a stable worksurface
- Fully welded A-frame legs ensure added strength and stability
- Heavy duty zinc alloy casters provide smooth and reliable transportation
- Shelves are made of durable 18-gauge steel
- Caster can hold up to 600lbs
- High-Pressure Laminate is made up of a wear-resistant overlay, that is impact-resistant
- High-Pressure Laminate offers long-lasting function and performance
- Vinyl T-mold edge banding is secured using a spot-nail from the bottom to prevent it from pulling away from the edge
- LockEdge® polyurethane coating is sprayed directly on to edge surfaces, creating a permanent seal that is impervious to bacteria and moisture for easier maintenance and long-lasting durability
