SPECIFICATIONS

CONSTRUCTION

- Constructed of Fijian Mahogany that weathers naturally to a beautiful grey tone or readily accepts stain and paints
- Naturally resistant to rot and decay, making it ideal for any climate
- Precision machined dadoes and rabbets measured with micrometers
- Precision drilled holes for proper alignment
- Top storage shelf measures 19"W x 30¾"D x 3½"H
- Bottom shelf measures 20½"W x 30¾"D x 12"H
- To clean, wash using a cloth or soft brush with mild soap and water, rinse
- To help retain the original color of the mahogany, applications of a non-toxic penetrating wood stain or sealer are recommended yearly, or as needed
