

Markerboard Activity Tables with LockEdge

Features

Worksurface

- Encourage student creativity and learning with this height-adjustable activity table featuring a dry erase markerboard surface
- Constructed from a 1 1/4" thick MDF core with easy-to-clean, gloss laminate surface and phenolic backer sheet that minimizes warping
- LockEdge polyurethane coating is sprayed directly on to the table edge surfaces, creating a permanent seal that is impervious to bacteria and moisture for easier maintenance and long-lasting durability
- Tables 60" or longer include a deep formed 20-gauge steel stretcher bar attached under the top to add structural strength and to prevent any possible sagging

- Available in eight shapes

Frame

- An easy connect leg attachment uses two phillips locking adjustment bolts for added stability
- Tables adjust in height from 15"-24" or 22"-30", in 1" increments
- Nickel-plated chrome leg inserts fit into black powdercoat uppers to assure long-lasting durability
- Internal gripping swivel nylon glides have a raised radius inner dome to ensure alignment. Glides have no cuff or collar to collect dirt build up
