

Activity Tables with T-Mold Edge

Clover Table

Features

Work Surface:

- An expansive variety of sizes and shapes in your choice of 10 standard laminate top colors and your choice of 5 edge band colors
- Constructed from 1 1/8" particleboard with a durable high-pressure laminate surface and backed with a phenolic backer sheet to minimize warping
- Vinyl T-mold edge banding is secured using a spot-nail from the bottom to prevent it from pulling away from the edge
- Tables 60" or longer include a deep formed, 20-gauge steel stretcher bar attached under the top which adds structural strength and prevents any possible sagging

Frame:

- An easy connect leg attachment uses two phillips locking adjustment bolt for added stability
- Tables adjust in height from 15"-24" or 22"-30", in 1" increments
- Nickel-plated chrome leg inserts fit into black or matching powdercoat uppers to assure long lasting durability
- Internal gripping swivel nylon glides have a raised radius inner dome to ensure alignment. Glides have no cuff or collar to collect dirt build up.
