

# Classroom Select® Mobile Robotic Storage

Lockable doors, premium storage capacity, and ample workspace are just a few of the exceptional features of Classroom Select® Mobile Robotic Storage. Constructed with solid birch as well as maple plywood, they offer: adjustable or fixed shelving, compartments or drawers, and locking casters. All the flexibility and versatility that you need in today's classrooms, labs, and makerspaces.

## CONFIGURATIONS

Mobile Compartment Storage

Robotic Workbench

Robotic Adjustable Shelf Storage

Mobile Tool Storage

## FEATURES

- Panels are finished with state-of-the-art equipment using environmentally friendly ultra-violet cured clear acrylic that's so hard and smooth it's virtually impervious to all common disinfectants and bleach solutions
- All edges are shaped and/or sanded smooth
- Arrives fully assembled

### CLASSROOM SELECT® MOBILE COMPARTMENT STORAGE

- Provides generous storage space with six extra-large cubby shelving areas
- Made of durable Birch Maple, the unit has fixed shelving with each cubby sized 22"W x 21"D x 19"H
- Doors are locking and the unit includes four 4" extra durable locking casters

### CLASSROOM SELECT® ROBOTIC ADJUSTABLE SHELF STORAGE

- Provides premium storage capacity
- Made of durable Birch Maple, the unit is designed to offer flexible capacity
- One side stores your robotic or makerspace projects on drawers with full extension glides that allow students to easily pull their projects out with careful movement
- The other side of the cabinet has adjustable shelves for convenient positioning and storage of trays, components, tools, supplies and projects
- Doors are locking and the unit includes four 4" extra durable locking casters

### CLASSROOM SELECT® ROBOTIC WORKBENCH

- Provides both storage and work surface space to make the most of your makerspace and robotic project area
- Made of durable Birch Maple and featuring easy pull out lower shelves to carefully store and remove those delicate projects
- Organize components, supplies or tools with two spacious upper drawers
- The top expands an additional 12 1/4" to a full 36"D work surface, perfect for those extra-large projects
- Each cubby offers a generously sized capacity of 21"W x 18"D x 23"H
- Locking doors offers security and peace of mind to keep projects safe and secure
- The unit includes locking 4" extra durable casters for ease of movement

## FEATURES (CONTINUED)

### CLASSROOM SELECT® MOBILE TOOL STORAGE

- Provides generous and organized storage capacity
- Made of durable Birch Maple, the unit is designed to offer flexible capacity, organization and efficiency of space for tools and supplies
- Both interior sides and interior back of the upper half is peg board to hold and organize all your tools
- The unit also holds trays to store the smallest of components with easy take off and snap on ability
- Four easy glide drawers help to organize or store any project related materials or supplies
- Doors are locking and the unit includes four 4" extra durable locking caster

## SPECIFICATIONS

### CONSTRUCTION

- Constructed using 18mm birch plywood for long lasting durability
- Assembled with strong, durable wood glue, and reinforced with 7mm screws and dowels
- Precision drilled holes for proper alignment
- Back panel is reinforced using steel dowels and metal locking cams for durability
- Doors are held closed with double roller friction catches and equipped with a standard 3 ¾" pull handle
