

Classroom Select® EasyFold Mobile Table

Square with Black Frame

Hexagon with Chrome Frame

Octagon with Black Frame

Oval with Black Frame

Available in 5 anything-but-basic-rectangle shapes, the Classroom Select® EasyFold Mobile Table serves up contemporary style and EasyFold function for today's bustling Grade K to 12 lunchrooms. Durable one-piece design is a breeze to wipe down and extra-resistant to food traps, drink spills, and overall germs and bacteria with its seam-free top and self-disinfecting LockEdge® polyurethane coating on the table edges. Sanitization ease aside, this mobile table rolls smoothly where needed and stays safely open with 2-point auto-locks. When dining is done, a manual release flips up the entire table in seconds to a vertical position for nesting and compact storage.

FEATURES

- Each table model is designed for years of dependable use with tops constructed of your choice of MDF, Plywood, or Particleboard
- Your choice of any of our exciting assortment of laminate colors including, woodgrains, patterns, and solid colors
- T-Mold laminate top features a 1¹/₈" thick particleboard or plywood core with a high pressure laminate surface and phenolic backer sheet to minimize warping
- Black LockEdge® laminate top feature a 1¹/₈" MDF or plywood core and sealed with a polyurethane edge that offers easier cleaning and added durability
- Easy to clean laminate tops with soap, water, and an optional diluted bleach solution
- Choose from an array of 23 vibrant T-Mold edge colors for overall room color coordination

SPECIFICATIONS

CONSTRUCTION

- 14-gauge steel under-structure and legs are available in textured powder coated black and chrome options
- High Pressure laminate is made up of a wear-resistant overlay, that is impact-resistant
- High Pressure laminate offers long-lasting function and performance
- Vinyl T-mold edge banding is secured using a spot-nail from the bottom to prevent it from pulling away from the edge
- LockEdge® polyurethane coating is sprayed directly on to edge surfaces, creating a permanent seal that is impervious to bacteria and moisture for easier maintenance and long-lasting durability
- 4" double ball bearing swivel casters allow for easy transportation and lift off the floor in an open position to prevent table from rocking or shifting
- Glass-filled nylon, high-impact glides leave no leftover marks when moving
