

Classroom Select® STEAM Tables

With Woodgrain Laminate Top

With Markerboard Top

Classroom Select® STEAM Tables keep your students collaborative, connected, and organized through any STEM/STEAM or team project. Spacious petal-shaped design provides room for four Grade 5 and older students to pull up and sit around on their own choice of chair or stool, as well as have access on each side to an adjustable 3-shelf compartment storage unit (complete with locking doors) for keeping essential supplies. Tabletop is available in an easy-clean woodgrain laminate or interactive write-on/wipe-off whiteboard option, plus comes equipped with a center-mounted power station (with 3 AC outlets, 2 USB ports, and an Ethernet jack) to keep laptops and electronics charged and connected for hours of uninterrupted work and study.

FEATURES

- Designed to support STEM/STEAM or any project learning environment: Science, Technology, Engineering, Art and Mathematics
- Allows for necessary storage and space to accommodate any project learning environment
- Four compartments each with two adjustable shelves and locking doors providing plenty of space for storing and organizing tools, supplies and more
- Available in a Amber Maple wood grained laminate top and Markerboard that is durable and cleans easily
- Center mounted power station features 3 AC outlets, 2 USB ports and an Ethernet jack
- Heavy Duty 3" locking casters for easy mobility and secure positioning
- This unit ships assembled
