

# Childcraft®/Classroom Select® Portable Handwashing Sink

38" counter top height

26" counter top height

Help keep hands germ free anywhere in your school or childcare center, with the help of the Portable Handwashing Sink. No plumbing needed, just plug it in! This handy, mobile sink houses a water pump, clean water tank, waste water tank, and soap dispenser (behind lockable cabinet doors) making it a complete solution. Offered in both 26- and 38-inch counter heights giving you options for younger students and as well as older students and adults.

## FEATURES

- Designed as a room temperature water unit. Research from CDC cite the use of cold water is just as effective as washing with warm water since temperature does not appear to affect the removal of germs.
- The 26" counter height makes it easy for children to reach the sink and soap dispenser on their own
- No plumbing necessary, just plug it in!
- Bottom cabinet stores water tanks and tubing
- Includes 2, 5-gallon vented water tanks for clean and waste water
- Bottom cabinet stores water tanks and tubing
- Stainless Steel 5" deep sink
- Water pump for flow of water
- Refillable soap dispenser included to minimize messes
- Heavy-Duty locking casters
- Laminate counter top
- Locking cabinet
- GREENGUARD Gold certified

## SPECIFICATIONS
