

## Pedestal Leg Activity Tables with LockEdge

### Features

#### Worksurface

- Versatile table offers ample leg room without any obstruction making it perfect for use as an activity table, desk, workstation or equipment table
- Constructed from a 1 1/4" thick MDF core with a high-pressure laminate surface and phenolic backer sheet that minimizes warping
- LockEdge polyurethane coating is sprayed directly on to the table edge surfaces, creating a permanent seal that is impervious to bacteria and moisture for easier maintenance and long-lasting durability
- Available in two shapes, 10 standard laminate top colors

#### Frame

- Heavy-duty pedestal leg is formed from 2 1/4", 16-gauge, rectangular tubular steel that adjusts in height from 22" - 30"
- Legs are attached to a full-width stretcher bar of deep formed 20-gauge steel which adds structural strength and also prevents the work surface from sagging
- Nickel-plated chrome leg inserts fit into black powdercoat uppers to assure long-lasting durability
- Includes nylon cushioned, self-leveling glides

Extra-Durable LockEdge Coating is Sprayed on, Creating a Permanent Seal that is Impervious to Bacteria and Moisture

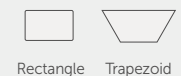

Pedestal Legs Include Nylon Cushioned, Self-Leveling Floor Glides
