

Four Leg Chair with Casters

Shown with
Padded Seat
and Back

15 Contoured Ribs Provide
Flexibility and Added Strength

Features

Seat:

- Ergonomically designed one piece injection-molded polypropylene shell with even color and subtle texture
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Provides side to side flexibility to adjust to a variety of body profiles
- Convenient handhold in the upper back for easy carrying

- Extra-large A+ shell provides a wider more accommodating seat size
- Optional seat and back pads are available on 18"A and 18"A+ chairs

Frame:

- Frame available with nickel-plated chrome or black powdercoat finishes
- Chair frames are constructed from 1 1/8", 18-gauge tubular steel. Extra-wide chair frame with A+ shell is formed from 16-gauge tubular steel.
- Comes standard with 2" diameter hooded, swivel casters with rubber wheels
- Choose from 4 styles and 3 seat heights
