- Seat measures 20" x 20"
- Back measures 19" x 19"
- Meets ANSI/BIFMA standards: certified for an 8-hour work day

Features

tilt tension control

Increase or decrease tilt tension depending on user's body weight.

tilt lock

Lock in positions to accommodate your posture.

center-tilt

Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

seat depth adjustment

Change the depth of the seat to accommodate the length of your thighs. Keeps you back in contact with the backrest while avoiding pressure behind your knees.

arm depth adjustment

Arm moves forward and backward.
