

# Childcraft® Outdoor Science Sorting Table

Fill your classroom with quality Childcraft® furnishings that have inspired children to explore and discover for more than 70 years. Proudly crafted in USA with GREENGUARD certification.

Inspire outdoor exploration and experiments with this science table. The table with four wood trays or clear plastic trays with lids are perfect for sorting and sensory activities. Wood trays have a clear acrylic bottom. Assembled.

## FEATURES

- Top well is 44" wide x 15½" deep x 4¾" high, and designed to work with wood trays or plastic storage boxes
- Bottom shelf storage area is approximately 46¼" wide x 17½" deep x 12½" high
- All-natural Fijian Mahogany weathers naturally to a beautiful grey tone or readily accepts stain and paints
- Naturally resistant to rot and decay, making it ideal for any climate
- Any wood preservative available at your local hardware store can be applied to this wood
- Easily adding or removing trays makes this an ideal sorting solution

## SPECIFICATIONS

### CONSTRUCTION

- Precision drilled holes for proper alignment
- All edges are shaped and/or sanded smooth
- Precision machined dadoes and rabbets measured with micrometers
- Wash using a cloth or soft brush with mild soap and water, rinse after
- Applying a penetrating wood stain or sealer every year (or as needed) helps to retain the color of the mahogany
- Fully assembled
