

4100 Series Hard Plastic Stack Chair

Environments that
Inspire Learning

Chrome Finish

Black Powdercoat Finish

Features

Seat:

- Seat and back are formed from 5/8" thick high-impact solid plastic that has been molded into a homogeneous unit by heat and pressure
- Seat and back are ergonomically sculptured to fit body contours, and edges are smooth and rounded
- Continuous color through seat and back, resists stains and fading

Frame:

- Frame is formed with heavy-duty, 1 1/8" diameter, 18-gauge tubular steel welded to a pair of 14-gauge steel support brackets
- The back support is constructed from 3/4" diameter, 16-gauge steel
- Nickel-plated chrome or black powdercoat finishes assure long-lasting durability
- 1 1/8" steel swivel glides are case hardened, nickel-plated chrome
- Optional field installed book basket is formed from 18-gauge steel rods
- Stacks up to 5 high
