

## Mobile Storage Cabinets

Adjustable Shelf Storage Cabinet

Divided Wardrobe Storage Cabinet

### Features

- Cabinets are constructed of 3/4" 13 ply birch wood and assembled with strong, durable wood glue, and reinforced with 7mm screws and dowels
- Shelves are constructed of Birch veneer panels
- Shelves and dividers are dadoed in place for maximum strength and durability
- All joints are Rabbit joint and screwed and glued for additional strength
- Edges are sanded and shaped smooth.
- Exposed corners are rounded
- Back and/or center panels are reinforced with steel dowels and metal locking cams for durability
- Doors are equipped with self-closing hinges and are held shut with double roller friction catches
- Doors are equipped with a standard 3 3/4" pull
- 4" diameter heavy-duty locking casters are bolted in place
- Shelves and dividers are dadoed in place for maximum strength and durability
- Finished in a clear environmentally friendly ultra-violet cured acrylic that is virtually impervious to all common classroom disinfectants
- Ships fully assembled
