Finger-Frog Gloves™

with Activities & Games by Cecilia Cruse, MS, OTR/L

Introduction

Fine motor skills are fun in Frogville! Finger Frog gloves are the perfect solution to work on finger isolation, hand intrinsics, and sequencing tasks. One size fits most children ages 3 and up. Set includes one pair of gloves sized for children and one pair sized for adults.

Product Use

Both child and adult wear the appropriate sized glove. Adult can model the finger activities and exercises and the child tries to imitate:

1. “Mama Thumb Frog” wakes up each of her “babies” by bringing the thumb to touch each finger separately. “Wake up tallman!, wake up ringman!”
2. Start with the Frog Family sleeping (make a tight fist with hand). Then have Mama Thumb Frog and each of her babies wake up one by one (extend each finger individually). Is everybody up? Now let’s stretchhhhh! (separate fingers as far apart as possible). Reverse for bedtime, then repeat!
3. Work on color recognition by having the child isolate and wiggle the finger with each color called out. “Show me blue, yellow, red finger” etc.
4. Any of the above exercises can be with either the dominant or non-dominant hand.
5. Add your own music, sing or recite these long popular nursery rhymes and songs:

Frog Songs

Five Little Froggies

For this fingerplay first make swimming motions with both hands then hold up one hand and wiggle a different finger as each line is said.

Five little froggie swimming in a pool
This one said, "The pool is cool."
This one said, "The pool is deep."
This one said, "I'd like to sleep."
This one said, "I'll float and dip."
This one said, "I see a ship."
a big boat comes.
a net goes splash.
All the little froggies swim away in a flash!

The Frog

A little green frog once lived in a pool
The sun was hot and the water cool,
He sat in the pool the whole day long,
And sung a dear little, queer little song,
"Juaggery do, Quaggery dee,
No one was ever so happy as me."

A Green Frog

Said the little green frog as he sat on a log
Nobody really likes me
A duck came along
And said, "You are wrong."
And gobbled him up for tea.

Five Little Speckled Frogs

Five green and speckled frogs,
Sat on a speckled log,
Eating the most delicious bugs...yum, yum.
One jumped into the pool
Where it was nice and cool.
Then there were four green speckled frogs.

Continue until only one frog is left

One green and speckled frog.
Sat on a speckled log,
Eating the most delicious bugs...yum,yum.
He jumped into the pool
Where it was nice and cool.
Now there are no green speckled frogs.

Frogs

This little froggy broke his toe
This little froggy said, "Oh, oh, oh!"
This little froggy laughed and was glad.
This little froggy cried and was sad,
This little froggy did just what he should
He ran for the Doctor as fast as he could.

Five Little Froggies

Five little froggies sitting on a well
One looked up, and down he fell.
Froggies jumped high,
Froggies jumped low.

Four little froggies sitting on a well
One looked up, and down he fell.
Froggies jumped high.
Froggies jumped low.

continue with two and three froggies then....

One little froggy sitting on a well
He looked up and down he fell.

Five Little FrogS

Five little frogs
Were down at the pond
Down at the pond at play
Along came a hungry bear,
And chased one frog away.

Four little frogs
Were down at the pond
Down at the pond at play.
Along came a wiggly snake,
And chased one frog away.

Three little frogs
Were down at the pond
Down at the pond at play
Along came a giant turtle,
And chased one frog away.

Two little frogs
Were down at the pond
Down at the pond at play
Along came a great big alligator,
And chased one frog away.

One little frog
Was down at the pond
Down at the pond at play
Along came a flying duck,
And chased one frog away.

Then no little frogs
Were down at the pond
Down at the pond at play
Where do you think the little frogs went
When they all hopped away?
