★ Featured Display: Wise Helpers

There's so much to do...WHO can help? You can count on these "owl-fully" cute friends to attract students and make it easy to assign and track tasks. Create a go-to display for classroom organization and activities with the brilliant patchwork owls and the treehouse job chart shown here. Label a classroom helper job title on the roof of each owl house. Invite students to write their names on the owls. Daily or weekly, select new helpers and "fly" the owl names to their new jobs. Use Owl-Stars!™ Classic Accents® to display a classroom seating chart or to group students. Complete the scene with the moon, stars, bats, and bugs. What a happy hoot for student helpers and teachers alike!
