

Early Childhood Supplies and Furniture

## The Circle of Education®

Created by delibrainy, Circle of Education® is a research and evidence-based social-emotional wellness, learning and literacy readiness, academic development, family engagement, behavioral health, and early intervention program for young children. The Circle of Education® program has been designated as a SElect program by CASEL, designed to be used with children from birth to eight years old. The program consists of 4 modules, peaPod™, Edupod, ParentPod™, and In The Circle, which fully integrate music, educational animation, multi-sensory learning tools and technology to offer a comprehensive program with bilingual components.

## In The Circle Module

**In The Circle is a behavioral health and early intervention module that provides tools to educators and specialists to address the needs of young children with behavioral challenges.**

### IN THE CIRCLE MODULE INCLUDES:

- 7 Thematic Units with 3 Intensity Levels
- 42 Educator/Behavioral Specialist Activities and 21 Parent Activities
- Assessment Model
- Reflective Tools and Strategies
- Suggested Dialogues
- Desired Outcomes Guide

Dr. Shulamit Ritblatt

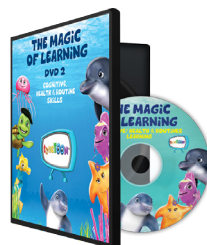

*The program was developed by Dr. Shulamit Ritblatt Ph.D., a leading expert in social-emotional development and early intervention, and Professor of Child and Family Development at San Diego State University.*

The In the Circle module, for children ages 2 to 8 years:

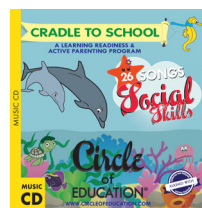

- Offers theoretical framework and practical tools to educators and behavioral specialists to address behavioral challenges and emotional needs of young children. The module supports large, small, or one-on-one sessions
- Integrates a variety of multi-sensory components: music, educational songs, animation, expression cards, and puppets
- Utilizes educational and intentional music and animation, specifically developed for young learners, as tools for social-emotional wellness and learning readiness
- Aligns to national and state learning standards and supports a wide range of assessment tools
- Works together with the 3 other program modules to promote social-emotional wellness and a continuum of learning readiness, academic development, family engagement, and connections between classroom and home
- Available in print and digital formats
