## The Circle of Education®

Created by delibrainy, Circle of Education® is a research and evidence-based social-emotional wellness, learning and literacy readiness, academic development, family engagement, behavioral health, and early intervention program for young children. The Circle of Education® program has been designated as a SElect program by CASEL, designed to be used with children from birth to eight years old. The program consists of 4 modules, peaPod™, EduPod, ParentPod™, and In the Circle, which fully integrate music, educational animation, multi-sensory learning tools and technology to offer a comprehensive program with bilingual components.

## ParentPod™ Module

The bilingual ParentPod™ module provides families with guidance, activities, and educational tools to support social-emotional wellness and learning readiness skills.

### 8 LEARNING FOUNDATIONS:

1. Art
2. Dramatic Play
3. Language & Literacy
4. Math
5. Music & Movement
6. Science
7. Social Emotional
8. Social Science

### 4 DEVELOPMENTAL DOMAINS:

1. Social
2. Emotional
3. Cognitive
4. Health and Routines

The ParentPod™ module, for families with children ages 2-6 years:

The ParentPod™ module is aligned to the EduPod module to support a school-home connection. Both modules share the same developmental domains and learning foundations as well as songs and tuneTOON® animation. The ParentPod™ module is also designed to be used as a part of school activities or as a stand-alone program.

- Supports learning readiness skills and social-emotional wellness and integrates with the EduPod module to facilitate home-school connection and encourage strong family engagement
- Integrates a variety of multi-sensory components: music, educational songs, animation, expression cards, and puppets
- Utilizes educational and intentional music and animation, specifically developed for young learners, as tools for social-emotional wellness and learning readiness
- Aligns to national and state learning standards and supports a wide range of assessment tools
- Works together with the 3 other program modules to promote social-emotional wellness and a continuum of learning readiness, academic development, family engagement, and connections between classroom and home
- Bilingual (English and Spanish) and available in print and digital formats

Dr. Shulamit Ritblatt

The program was developed by Dr. Shulamit Ritblatt Ph.D., a leading expert in social-emotional development and early intervention, and Professor of Child and Family Development at San Diego State University.
