

The Circle of Education®

Created by delibrainy, Circle of Education® is a research and evidence-based social-emotional wellness, learning and literacy readiness, academic development, family engagement, behavioral health, and early intervention program for young children. The Circle of Education® program has been designated as a SElect program by CASEL, designed to be used with children from birth to eight years old. The program consists of 4 modules, peaPod™, Edupod, ParentPod™, and In The Circle, which fully integrate music, educational animation, multi-sensory learning tools and technology to offer a comprehensive program with bilingual components.

peaPod™ Module

The bilingual peaPod™ module provides families, caregivers, and educators with information, tools, and professional guidance to support the enhancement of children's social-emotional wellness from birth to age 3.
