Royal® Reading Writing Centers

Timeless, age appropriate and ready to inspire. The Reading Writing Center's unique features help make teaching more efficient and engaging for students. Our easels are essential tools for primary and junior classrooms. They are also backed by our No Fine-print Warranty.

Teacher-driven features

Snap-on chart paper hooks that stay on if bumped
Hangs different sized chart paper and paper can easily be flipped

Dry erase frame (write and wipe)
Just in case markers happen to go beyond the whiteboard surface

Big book page holders (magnetic Page Paws)
Makes story time a breeze by holding the pages in place

Big book rack
Provides easy access to books and the unique design holds books firmly in place

Rear removable whiteboard
Creates an even more inclusive work station for students to participate (one side is lined)

Locking, adjustable Ultra-Safe book ledge
Locks to accommodate different grade levels

Slide out tubs with safety stops, made of recycled material
Prevents tubs from being pulled all the way out to prevent messes and injury

Locking casters (some models also feature foot activated brakes as shown)
Keeps the easel secure while in use

Check individual easel details for specific features

Compare before you buy!

Top priorities: child safety and product quality

Before selecting an easel, ask yourself these questions:

- How will the easel stand up to the demands of an elementary classroom?
- Is there a warranty?
- Does the back of the easel offer additional teaching accessories?
- Does the easel provide storage for big books and other materials?
- Was the easel designed with child safety in mind (no pointy corners or sharp edges)?
